

## WE BELIEVE

COMMUNICATION BETWEEN PEOPLE TRANSCENDS NATIONAL BOUNDARIES... AND HOME IS ONE CONCEPT THAT NEEDS NO TRANSLATION.

Located at the heart of Hong Kong's district of Central, the Yin Serviced Apartments express in the style of industrial chic that distinguishes from other counterparts.

Designed specifically with business travellers and executives in mind, these apartments successfully combine the luxury of a five-star hotel with the warm ambience of home. Residents are able to leave behind the hustle and bustle of the city and immerse themselves in the tranquillity that Yin provides. Yin residents will enjoy their own private world.

Named for a Chinese word that means both solicitous and prosperous, the Yin Serviced Apartments are staffed and furnished in such a way to fully reflect the success of their residents.

Situated in Hong Kong's district of Central, just minutes away from Soho and Lan Kwai Fong, the Yin Apartments are ideally located for work and leisure.
